Section 1 – Introduction

This directory provides a list of Ultimate Health Plans' network providers and pharmacies. To get detailed information about your health care coverage or to get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Premier by Ultimate (HMO)'s, Premier Plus by Ultimate (HMO)'s, Advantage Care by Ultimate (HMO C-SNP)'s, Advantage Care COPD by Ultimate (HMO C-SNP)'s, and Advantage Care CHF by Ultimate (HMO C-SNP)'s formulary.

How to access our plan's providers and pharmacies

You will have to choose one of our network providers who are listed in this directory to be your Primary Care Provider (PCP). Generally, you must get your health care services from your PCP. Your PCP is a physician who meets state requirements and is trained to give you medical care. Your PCP serves as your medical home, and you will get your routine or basic care from your PCP. The types of providers that may act as a PCP are: General Practice, Family Practice, and Internal Medicine physicians.

You may choose your PCP from the Provider and Pharmacy Directory. You may also view the most up-to-date Provider and Pharmacy Directory online at www.ChooseUltimate.com. If you require assistance in choosing your PCP, contact Member Services (phone numbers can be found on the covers of this booklet).

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. Your PCP will coordinate and provide you referrals for certain covered services you get as a member of our plan. In some cases. You may get covered services from non-network providers. Please refer to your Evidence of Coverage for more information.

Some provider services require a prior authorization. In addition to providing you referrals to a specialist when needed, your PCP (or specialist in some cases) will obtain prior authorization (approval in advance) from Ultimate Health Plans for certain services and items, such as elective hospital admissions, MRI/PET scans, etc. For a complete List of the services that may require Ultimate Health Plans' approval in advance, please refer to your Evidence of Coverage.

Your PCP selection may limit the specialists you can see. If there are specific specialists you want to use, find out whether your PCP sends patients to these specialists, as your PCP may only refer patients to certain participating providers. Please check first to be sure your PCP can refer you to an in-network specialist, or hospital you may want to use. If you have been going to one network provider, you are not required to continue going to that same provider.

We call the pharmacies on this list our ''network pharmacies'' because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this Provider and Pharmacy Directory.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Ultimate Health Plans.

Services that don't require approval in advance

Referrals from your PCP are not required for emergency care or urgently needed care. There are also some other kinds of care you can get without having approval in advance from your PCP, such as preventive services, routine women's health care, covered dermatology, podiatry and chiropractic services, covered mental health services, flu shots and vaccinations.

What to do if you get a bill from a non-contracted provider

There may be times when you get a bill from a non-contracted provider for the full cost of medical care you have received. You should send this bill to us instead of paying it. We will look at the bill and decide whether the services should be covered. If we decide they should be covered, we will pay the provider our share of the cost directly. You will be responsible for paying your share of the cost. For more information on situations in which you may need to ask us for reimbursement or to pay a bill you have received from a provider (including where to send your request for payment), see chapter 7 of your Evidence of Coverage (Asking us to pay our share of a bill you have received for covered medical services or drugs).

Getting Care if you have a medical emergency

A "medical emergency" is when you, or any other prudent layperson with an average knowledge of health and medicine, believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

You may get covered emergency medical care whenever you need it, anywhere in the world. If you have a medical emergency, get help as quickly as possible. Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. You do not need to get approval or a referral first from your PCP.

If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over. After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by out of network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

What if you are outside the plan's service area when you have an urgent need/or care?

When you are outside the service area and cannot get care from a network provider, our plan will cover urgently needed care that you get from any provider. Our plan does not cover urgently needed care or any other non-emergency care if you receive the care outside of the United States.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Ultimate Health Plans will be responsible for the costs.

Sección 1: Introducción

Este directorio ofrece una lista de los proveedores y las farmacias de la red de Ultimate Health Plans. Para obtener información detallada sobre su cobertura de atención médica o para obtener una descripción completa de su cobertura de medicamentos con receta, incluyendo cómo surtir sus recetas, consulte la Evidencia de cobertura y los formularios de los planes Premier de Ultimate (HMO), Premier Plus de Ultimate (HMO), Advantage Care de Ultimate (HMO C-SNP), Advantage Care COPD de Ultimate (HMO C-SNP) y Advantage Care CHF de Ultimate (HMO C-SNP).

Cómo acceder a los proveedores y farmacias de nuestro plan

Usted tiene que elegir a uno de los proveedores de la red listado ene este directorio como su Proveedor de Atención Primaria (PCP). En general, usted debe recibir sus servicios de atención médica de su PCP. Su PCP es un médico que cumple con los requisitos estatales y está capacitado para brindarle atención médica. Su PCP cumple la función de su hogar médico, ya que le proporcionará atención básica o de rutina. Los tipos de proveedores que pueden actuar como PCP son los siguientes: Médicos de las especialidades de medicina general, medicina familiar y medicina interna.

Puede elegir su PCP desde el directorio de farmacias y proveedores. También puede ver la versión más actualizada del directorio de farmacias y proveedores en línea en www.ChooseUltimate.com. Si necesita ayuda para elegir su PCP, póngase en contacto con Servicios para Miembros (puede consultar los números de teléfono en las portadas de esta guía).

Los proveedores de la red que figuran en este directorio acordaron proveerle servicios de atención médica. Puede recurrir a cualquiera de los proveedores de nuestra red que figuran en este directorio; sin embargo, es posible que algunos servicios requieran una derivación. Su PCP coordinará y le hará las derivaciones para ciertos servicios cubiertos que usted obtiene por ser miembro de nuestro plan. En algunos casos, es posible que obtenga los servicios cubiertos de proveedores fuera de la red. Consulte su Constancia de Cobertura para obtener más información.

Algunos servicios de los proveedores requieren una autorización previa. Además de remitirlo a un especialista cuando sea necesario, su PCP (o especialista en algunos casos) obtendrá autorización previa (aprobación por adelantado) de Ultimate Health Plans para ciertos servicios y artículos, como admisiones electivas al hospital, resonancias magnéticas/tomografías por emisión de positrones, etc. Para obtener una lista completa de los servicios que pueden requerir la aprobación por adelantado de Ultimate Health Plans, consulte su Evidencia de cobertura.

Es posible que la elección de su PCP limite los especialistas a los que puede recurrir. Si quiere recurrir a algún especialista específico, averigüe si su PCP hace derivaciones a dicho especialista ya que es posible que solo haga derivaciones a ciertos proveedores participantes. Asegúrese de que su PCP pueda derivarlo a un especialista u hospital de la red al que quiera acudir. No tiene la obligación de continuar atendiéndose con el mismo proveedor de la red al que recurría.

Las farmacias de esta lista se denominan "farmacias de nuestra red" dado que tienen acuerdos con nosotros para brindarles medicamentos recetados a los miembros del plan. En la mayoría de los casos, sus recetas médicas están cubiertas por nuestro plan solamente si se surten en una farmacia de la red o mediante nuestro servicio de farmacia con envíos por correo. No tiene la obligación de acudir siempre a la misma farmacia para obtener los medicamentos recetados, sino que puede acudir a cualquiera de las farmacias de nuestra red. Surtimos medicamentos recetados en farmacias fuera de la red en circunstancias determinadas, según lo establecido en su Constancia de Cobertura.

Es posible que no todas las farmacias de la red figuren en este directorio. Puede que se hayan agregado o eliminado de la lista algunas farmacias después de imprimir el directorio. Esto significa que las farmacias mencionadas aquí pueden no estar más en nuestra red o puede que haya farmacias nuevas en nuestra red que no estén en la lista. Para obtener la lista más actualizada, póngase en contacto con nosotros. Nuestra información

de contacto aparece en la portada y en la contraportada.

A través de nuestro programa de venta por correo en la red, usted puede recibir los medicamentos recetados en su casa. Para obtener más información, póngase en contacto con nosotros o consulte la sección de venta por correo de este directorio de farmacias y proveedores.

Si tienen dudas con respecto a alguno de los temas mencionados anteriormente, consulte la tapa y contratapa de este directorio para obtener la información de contacto de Ultimate Health Plans.

Servicios que no requieren autorización previa

No se requieren remisiones de su PCP para obtener atención de emergencia o atención de urgencia. También hay otros tipos de atención que puede recibir sin la aprobación por adelantado de su PCP, como servicios preventivos, atención médica de rutina para mujeres; servicios cubiertos de dermatología, podología y quiropráctica, servicios de salud mental cubiertos, vacunas contra la gripe y vacunas.

Qué debe hacer si recibe una factura de un proveedor no contratado

En algunas ocasiones, es posible que reciba una factura de un proveedor no contratado por el costo total de la atención médica que recibió. Deberá enviarnos la factura en lugar de pagarla. Nosotros la veremos y decidiremos si se deben cubrir los servicios. Si decidimos otorgarle cobertura, le pagaremos directamente al proveedor nuestra parte del costo compartido. Usted deberá hacerse cargo de pagar el costo compartido que le corresponda. Para obtener más información con respecto a aquellas situaciones en las que necesite solicitarnos un reembolso o que paguemos una factura que recibió de un proveedor (por ejemplo, a dónde enviar su solicitud de pago), consulte el capítulo 7 de su Constancia de Cobertura (Cómo enviarnos una solicitud de pago de nuestra parte del costo de una factura que recibió por servicios médicos o medicamentos cubiertos).

Cómo recibir atención si tiene una emergencia médica

Se considera una “emergencia médica” cuando usted, u otra persona lega prudente con conocimientos típicos de salud y medicina, cree que tiene síntomas que requieren atención médica inmediata para prevenir la muerte, la pérdida de una extremidad o la pérdida de la función de una extremidad. Los síntomas pueden ser una enfermedad, una lesión, dolor intenso o una afección médica que empeora rápidamente.

Puede recibir cobertura de atención médica de emergencia cuando lo necesite, en cualquier lugar del mundo. Pida atención lo antes posible si tiene una emergencia médica. Llame al 911 para pedir ayuda o diríjase a la sala de emergencias o al hospital más cercano. Si es necesario, llame a una ambulancia. Nuestro plan cubre servicios de ambulancia en situaciones en las que acudir a una sala de emergencias de otra manera podría poner en riesgo su salud. No es necesario que primero obtenga la aprobación o una remisión del PCP.

Si tiene una emergencia, nos pondremos en contacto con los médicos que le estén brindando atención de emergencia para gestionar y hacer un seguimiento de dicha atención. Los médicos que le brinden atención de emergencia decidirán si usted se encuentra estable y si la situación de emergencia médica ya ha cesado. Cuando cese la emergencia, tiene derecho a recibir atención de seguimiento para asegurarse de que su estado continúe estable. Nuestro plan cubrirá su atención de seguimiento. Si recibe atención de emergencia por parte de proveedores fuera de la red, intentaremos organizar que los proveedores de la red se encarguen de su cuidado no bien lo permitan su estado de salud y las circunstancias.

¿Qué sucede si usted está fuera del área de servicio de su plan cuando tenga una necesidad urgente o necesite atención de urgencia?

Cuando se encuentre fuera del área de servicios y no pueda recibir atención de un proveedor de la red, nuestro plan cubrirá la atención médica de urgencia que reciba de cualquier proveedor. Si se encuentra fuera de los Estados Unidos, nuestro plan no cubre la atención médica urgente ni ningún otro tipo de atención que no sea de emergencia.

Debe utilizar proveedores de la red, salvo en situaciones de emergencia o atención urgente o para diálisis renal u otros servicios fuera del área. Medicare y Ultimate Health Plans no serán responsables de los costos de la atención de rutina que reciba de proveedores fuera de la red.

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling 1 (855) 842-6337, 24 hours a day, 7 days a week.

Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1 (855) 842-6337.

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling 1 (855) 842-6337, 24 hours a day, 7 days a week.

Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1 (855) 842-6337.

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling 1 (855) 842-6337, 24 hours a day, 7 days a week.

Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1 (855) 842-6337.

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling 1 (855) 842-6337, 24 hours a day, 7 days a week.

Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1 (855) 842-6337.

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling 1 (855) 842-6337, 24 hours a day, 7 days a week.

Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1 (855) 842-6337.
