Sección 1: Introducción

Este directorio ofrece una lista de los proveedores y las farmacias de la red de Ultimate Health Plans. Para obtener información detallada sobre su cobertura de atención médica o para obtener una descripción completa de su cobertura de medicamentos con receta, incluyendo cómo surtir sus recetas, consulte la Evidencia de cobertura y los formularios de los planes Premier de Ultimate (HMO), Premier Plus de Ultimate (HMO), Advantage Care de Ultimate (HMO C-SNP), Advantage Care COPD de Ultimate (HMO C-SNP) y Advantage Care CHF de Ultimate (HMO C-SNP).

Cómo acceder a los proveedores y farmacias de nuestro plan

Usted tiene que elegir a uno de los proveedores de la red listado en este directorio como su Proveedor de Atención Primaria (PCP). En general, usted debe recibir sus servicios de atención médica de su PCP. Su PCP es un médico que cumple con los requisitos estatales y está capacitado para brindarle atención médica. Su PCP cumple la función de su hogar médico, ya que le proporcionará atención básica o de rutina. Los tipos de proveedores que pueden actuar como PCP son los siguientes: Médicos de las especialidades de medicina general, medicina familiar y medicina interna.

Puede elegir su PCP desde el directorio de farmacias y proveedores. También puede ver la versión más actualizada del directorio de farmacias y proveedores en línea en www.ChooseUltimate.com. Si necesita ayuda para elegir su PCP, póngase en contacto con Servicios para Miembros (puede consultar los números de teléfono en las portadas de esta guía).

Los proveedores de la red que figuran en este directorio acordaron proveerle servicios de atención médica. Puede recurrir a cualquiera de los proveedores de nuestra red que figuran en este directorio; sin embargo, es posible que algunos servicios requieran una derivación. Su PCP coordinará y le hará las derivaciones para ciertos servicios cubiertos que usted obtiene por ser miembro de nuestro plan. En algunos casos, es posible que obtenga los servicios cubiertos de proveedores fuera de la red. Consulte su Constancia de Cobertura para obtener más información.

Algunos servicios de los proveedores requieren una autorización previa. Además de remitirlo a un especialista cuando sea necesario, su PCP (o especialista en algunos casos) obtendrá autorización previa (aprobación por adelantado) de Ultimate Health Plans para ciertos servicios y artículos, como admisiones electivas al hospital, resonancias magnéticas/tomografías por emisión de positrones, etc. Para obtener una lista completa de los servicios que pueden requerir la aprobación por adelantado de Ultimate Health Plans, consulte su Evidencia de cobertura.

Es posible que la elección de su PCP limite los especialistas a los que puede recurrir. Si quiere recurrir a algún especialista específico, averigüe si su PCP hace derivaciones a dicho especialista ya que es posible que solo haga derivaciones a ciertos proveedores participantes. Asegúrese de que su PCP pueda derivarlo a un especialista u hospital de la red al que quiera acudir. No tiene la obligación de continuar atendiéndose con el mismo proveedor de la red al que recurría.

Las farmacias de esta lista se denominan "farmacias de nuestra red" dado que tienen acuerdos con nosotros para brindarles medicamentos recetados a los miembros del plan. En la mayoría de los casos, sus recetas médicas están cubiertas por nuestro plan solamente si se surten en una farmacia de la red o mediante nuestro servicio de farmacia con envíos por correo. No tiene la obligación de acudir siempre a la misma farmacia para obtener los medicamentos recetados, sino que puede acudir a cualquiera de las farmacias de nuestra red. Surtimos medicamentos recetados en farmacias fuera de la red en circunstancias determinadas, según lo establecido en su Constancia de Cobertura.

Es posible que no todas las farmacias de la red figuren en este directorio. Puede que se hayan agregado o eliminado de la lista algunas farmacias después de imprimir el directorio. Esto significa que las farmacias mencionadas aquí pueden no estar más en nuestra red o puede que haya farmacias nuevas en nuestra red que no estén en la lista. Para obtener la lista más actualizada, póngase en contacto con nosotros. Nuestra información

de contacto aparece en la portada y en la contraportada.

A través de nuestro programa de venta por correo en la red, usted puede recibir los medicamentos recetados en su casa. Para obtener más información, póngase en contacto con nosotros o consulte la sección de venta por correo de este directorio de farmacias y proveedores.

Si tienen dudas con respecto a alguno de los temas mencionados anteriormente, consulte la tapa y contratapa de este directorio para obtener la información de contacto de Ultimate Health Plans.

Servicios que no requieren autorización previa

No se requieren remisiones de su PCP para obtener atención de emergencia o atención de urgencia. También hay otros tipos de atención que puede recibir sin la aprobación por adelantado de su PCP, como servicios preventivos, atención médica de rutina para mujeres; servicios cubiertos de dermatología, podología y quiropráctica, servicios de salud mental cubiertos, vacunas contra la gripe y vacunas.

Qué debe hacer si recibe una factura de un proveedor no contratado

En algunas ocasiones, es posible que reciba una factura de un proveedor no contratado por el costo total de la atención médica que recibió. Deberá enviarnos la factura en lugar de pagarla. Nosotros la veremos y decidiremos si se deben cubrir los servicios. Si decidimos otorgarle cobertura, le pagaremos directamente al proveedor nuestra parte del costo compartido. Usted deberá hacerse cargo de pagar el costo compartido que le corresponda. Para obtener más información con respecto a aquellas situaciones en las que necesite solicitarnos un reembolso o que paguemos una factura que recibió de un proveedor (por ejemplo, a dónde enviar su solicitud de pago), consulte el capítulo 7 de su Constancia de Cobertura (Cómo enviarnos una solicitud de pago de nuestra parte del costo de una factura que recibió por servicios médicos o medicamentos cubiertos).

Cómo recibir atención si tiene una emergencia médica

Se considera una “emergencia médica” cuando usted, u otra persona lega prudente con conocimientos típicos de salud y medicina, cree que tiene síntomas que requieren atención médica inmediata para prevenir la muerte, la pérdida de una extremidad o la pérdida de la función de una extremidad. Los síntomas pueden ser una enfermedad, una lesión, dolor intenso o una afección médica que empeora rápidamente.

Puede recibir cobertura de atención médica de emergencia cuando lo necesite, en cualquier lugar del mundo. Pida atención lo antes posible si tiene una emergencia médica. Llame al 911 para pedir ayuda o diríjase a la sala de emergencias o al hospital más cercano. Si es necesario, llame a una ambulancia. Nuestro plan cubre servicios de ambulancia en situaciones en las que acudir a una sala de emergencias de otra manera podría poner en riesgo su salud. No es necesario que primero obtenga la aprobación o una remisión del PCP.

Si tiene una emergencia, nos pondremos en contacto con los médicos que le estén brindando atención de emergencia para gestionar y hacer un seguimiento de dicha atención. Los médicos que le brinden atención de emergencia decidirán si usted se encuentra estable y si la situación de emergencia médica ya ha cesado. Cuando cese la emergencia, tiene derecho a recibir atención de seguimiento para asegurarse de que su estado continúe estable. Nuestro plan cubrirá su atención de seguimiento. Si recibe atención de emergencia por parte de proveedores fuera de la red, intentaremos organizar que los proveedores de la red se encarguen de su cuidado no bien lo permitan su estado de salud y las circunstancias.

¿Qué sucede si usted está fuera del área de servicio de su plan cuando tenga una necesidad urgente o necesite atención de urgencia?

Cuando se encuentre fuera del área de servicios y no pueda recibir atención de un proveedor de la red, nuestro plan cubrirá la atención médica de urgencia que reciba de cualquier proveedor. Si se encuentra fuera de los Estados Unidos, nuestro plan no cubre la atención médica urgente ni ningún otro tipo de atención que no sea de emergencia.

Debe utilizar proveedores de la red, salvo en situaciones de emergencia o atención urgente o para diálisis renal u otros servicios fuera del área. Medicare y Ultimate Health Plans no serán responsables de los costos de la atención de rutina que reciba de proveedores fuera de la red.

Si tiene una cantidad suficiente del medicamento o si ya no lo toma, puede cancelar el resurtido programado. Si usted elige no utilizar el programa de resurtido automático, comuníquese con nosotros 14 días antes de quedarse sin medicamentos para que podamos garantizar que su pedido llegue a tiempo. Si tiene una cantidad suficiente del medicamento o si ya no lo toma, puede cancelar el resurtido programado. Si usted elige no utilizar el programa de resurtido automático, comuníquese con nosotros 14 días antes de quedarse sin medicamentos para que podamos garantizar que su pedido llegue a tiempo. A través de nuestro programa de venta por correo en la red, usted puede recibir los medicamentos recetados en su casa.

Para recibir el resurtido de sus recetas por correo, puede registrarse en un programa de resurtido automático. Con este programa, comenzaremos a procesar su próximo resurtido automáticamente cuando nuestros registros indiquen que se está por quedar sin medicamentos. Antes de enviar cada resurtido, nos comunicaremos con usted para asegurarnos de que lo necesita. Si tiene una cantidad suficiente del medicamento o si ya no lo toma, puede cancelar el resurtido programado. Si usted elige no utilizar el programa de resurtido automático, comuníquese con nosotros 14 días antes de quedarse sin medicamentos para que podamos garantizar que su pedido llegue a tiempo. Para salir del programa de resurtido automático, comuníquese con nosotros llamando al 1 (855) 842-6337 las 24 horas del día, los 7 días de la semana.

Normalmente, recibirá sus medicamentos recetados en el plazo de 14 días a partir de que la farmacia de venta por correo reciba el pedido. Si usted no recibe sus medicamentos con receta en ese plazo, llámenos al 1 (855) 842-6337.

Si tiene una cantidad suficiente del medicamento o si ya no lo toma, puede cancelar el resurtido programado. Si usted elige no utilizar el programa de resurtido automático, comuníquese con nosotros 14 días antes de quedarse sin medicamentos para que podamos garantizar que su pedido llegue a tiempo.
