### **What to do now**

#### **1. ASK:** Which changes apply to you

- Check the changes to our benefits and costs to see if they affect you.
  - Review the changes to Medical care costs (doctor, hospital).
  - Review the changes to our drug coverage, including authorization requirements and costs.
  - Think about how much you will spend on premiums, deductibles, and cost sharing.
- Check the changes in the 2024 "Drug List" to make sure the drugs you currently take are still covered.
- Check to see if your primary care doctors, specialists, hospitals, and other providers, including pharmacies will be in our network next year.
- Think about whether you are happy with our plan.

#### **2. COMPARE:** Learn about other plan choices

- Check coverage and costs of plans in your area. Use the Medicare Plan Finder at [www.medicare.gov/plan-compare](http://www.medicare.gov/plan-compare) website or review the list in the back of your *Medicare & You 2024* handbook.
- Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan's website.

### 3. **CHOOSE:** Decide whether you want to change your plan

- If you don't join another plan by December 7, 2023, you will stay in Advantage Plus by Ultimate (Full) (HMO D-SNP).
- To **change to a different plan**, you can switch plans between October 15 and December 7. Your new coverage will start on **January 1, 2024**. This will end your enrollment with Advantage Plus by Ultimate (Full) (HMO D-SNP).
- Look in section 3, page 11 to learn more about your choices.
- If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can switch plans or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

**SECTION 1 Changes to Benefits and Costs for Next Year**

**Section 1.1 – Changes to the Monthly Premium**

Cost	2023 (this year)	2024 (next year)
<b>Monthly premium</b> (You must also continue to pay your Medicare Part B premium unless it is paid for you by Medicaid.)	\$0	\$0

**Section 1.2 – Changes to Your Maximum Out-of-Pocket Amount**

Medicare requires all health plans to limit how much you pay out-of-pocket for the year. This limit is called the maximum out-of-pocket amount. Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

Cost	2023 (this year)	2024 (next year)
<b>Maximum out-of-pocket amount</b> <b>Because our members also get assistance from Medicaid, very few members ever reach this out-of-pocket maximum.</b> If you are eligible for Medicaid assistance with Part A and Part B copays, you are not responsible for paying any out-of-pocket costs toward the maximum out-of-pocket amount for covered Part A and Part B services. Your costs for covered medical services (such as copays) count toward your maximum out-of-pocket amount. Your costs for prescription drugs do not count toward your maximum out-of-pocket amount.	\$500	\$500  Once you have paid \$500 out-of-pocket for covered Part A and Part B services, you will pay nothing for your covered Part A and Part B services for the rest of the calendar year.

### Section 1.3 – Changes to the Provider and Pharmacy Networks

There are changes to our network of providers for next year. **Please review the 2024 Provider & Pharmacy Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

There are changes to our network of pharmacies for next year. **Please review the 2024 Provider & Pharmacy Directory to see which pharmacies are in our network.**

It is important that you know that we may make changes to the hospitals, doctors, specialists (providers) and pharmacies that are a part of your plan during the year. If a mid-year change in our providers affects you, please contact Member Services so we may assist.

### Section 1.4 – Changes to Benefits and Costs for Medical Services

## Section 1.5 – Changes to Part D Prescription Drug Coverage

### Changes to Our “Drug List”

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our “Drug List” is provided electronically.

We made changes to our “Drug List”, which could include removing or adding drugs, changing the restrictions that apply to our coverage for certain drugs or moving them to a different cost-sharing tier. **Review the “Drug List” to make sure your drugs will be covered next year and to see if there will be any restrictions, or if your drug has been moved to a different cost-sharing tier.**

Most of the changes in the “Drug List” are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online “Drug List” to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Member Services for more information.

### Changes to Prescription Drug Costs

**Note:** If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the Low-Income Subsidy Rider or the LIS Rider), which tells you about your drug costs. If you receive “Extra Help” and you haven’t received this insert by September 30, please call Member Services and ask for the LIS Rider.

There are four **drug payment stages**.

The information below shows the changes to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

**Changes to the Deductible Stage**

Stage	2023 (this year)	2024 (next year)
<p><b>Stage 1: Yearly Deductible Stage</b></p>	<p>Because we have no deductible, this payment stage does not apply to you.</p>	<p>Because we have no deductible, this payment stage does not apply to you.</p>

**Changes to Your Cost Sharing in the Initial Coverage Stage**

Stage	2023 (this year)	2024 (next year)
<p><b>Stage 2: Initial Coverage Stage</b></p> <p>During this stage, the plan pays its share of the cost of your drugs and <b>you pay your share of the cost</b>.</p> <p>Most adult Part D vaccines are covered at no cost to you.</p>	<p>Your cost for a one-month supply filled at a network pharmacy with standard cost sharing:</p> <p><b>Generic:</b> You pay 0% of the total cost.</p> <p><b>Preferred Brand:</b> You pay 0% of the total cost.</p> <p><b>Non-Preferred Drug:</b> You pay 0% of the total cost.</p> <p><b>Specialty Tier:</b> You pay 0% of the total cost.</p> <p><b>Supplemental Drugs:</b> You pay a \$0 copay per prescription.</p>	<p>Your cost for a one-month supply filled at a network pharmacy with standard cost sharing:</p> <p><b>Generic:</b> You pay 0% of the total cost.</p> <p><b>Preferred Brand:</b> You pay 0% of the total cost.</p> <p><b>Non-Preferred Drug:</b> You pay 0% of the total cost.</p> <p><b>Specialty Tier:</b> You pay 0% of the total cost.</p> <p><b>Supplemental Drugs:</b> You pay a \$0 copay per prescription.</p>

Stage	2023 (this year)	2024 (next year)
<p><b>Stage 2: Initial Coverage Stage (continued)</b></p> <p>The costs in this row are for a one-month (30-day) supply when you fill your prescription at a network pharmacy that provides standard cost sharing.</p> <p>For information about the costs for a long-term supply or for mail-order prescriptions, look in Chapter 6, Section 5 of your <i>Evidence of Coverage</i>.</p> <p>We changed the tier for some of the drugs on our “Drug List”. To see if your drugs will be in a different tier, look them up on the “Drug List”.</p>	<p>Once your total drug costs have reached \$4,660, you will move to the next stage (the Coverage Gap Stage).</p>	<p>Once your total drug costs have reached \$5,030, you will move to the next stage (the Coverage Gap Stage).</p>

**Changes to the Coverage Gap and Catastrophic Coverage Stages**

The other two drug coverage stages – the Coverage Gap Stage and the Catastrophic Coverage Stage – are for people with high drug costs. **Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage.**

**Beginning in 2024, if you reach the Catastrophic Coverage Stage, you pay nothing for covered Part D drugs and for excluded drugs that are covered under our enhanced benefit.**

For specific information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in your *Evidence of Coverage*.

## SECTION 2 Administrative Changes

Description	2023 (this year)	2024 (next year)
For some chronically used drugs, you can get a long-term supply if you take the drugs on a regular basis for a chronic or long-term condition.	A long-term supply is a <b>90-day supply</b> for Tier 1 drugs.	A long-term supply is up to a <b>100-day supply</b> for some Tier 1 drugs.

## SECTION 3 Deciding Which Plan to Choose

### Section 3.1 – If you want to stay in Advantage Plus by Ultimate (Full) (HMO D-SNP)

**To stay in our plan, you don’t need to do anything.** If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our Advantage Plus by Ultimate (Full) (HMO D-SNP).

### Section 3.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change plans for 2024 follow these steps:

#### Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- -- OR-- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder ([www.medicare.gov/plan-compare](http://www.medicare.gov/plan-compare)), read the *Medicare & You 2024* handbook, call your State Health Insurance Assistance Program (see Section 5), or call Medicare (see Section 7.2).

As a reminder, Ultimate Health Plans offers other Medicare prescription drug plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

## Step 2: Change your coverage

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from Advantage Plus by Ultimate (Full) (HMO D-SNP).
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from Advantage Plus by Ultimate (Full) (HMO D-SNP).
- To **change to Original Medicare without a prescription drug plan**, you must either:
  - Send us a written request to disenroll. Contact Member Services if you need more information on how to do so.
  - – *or* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

If you switch to Original Medicare and do **not** enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan unless you have opted out of automatic enrollment.

## SECTION 4 Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2024.

### Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

Because you have Florida Agency for Health Care Administration (AHCA), you may be able to end your membership in our plan or switch to a different plan one time during each of the following **Special Enrollment Periods**:

- January to March
- April to June
- July to September

If you enrolled in a Medicare Advantage plan for January 1, 2024, and don't like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2024.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare

prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

## **SECTION 5 Programs That Offer Free Counseling about Medicare and Medicaid**

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In Florida, the SHIP is called Serving Health Insurance Needs of Elders (SHINE).

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. Serving Health Insurance Needs of Elders (SHINE) counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Serving Health Insurance Needs of Elders (SHINE) at 1-800-963-5337. You can learn more about Serving Health Insurance Needs of Elders (SHINE) by visiting their website (<https://www.floridashine.org>).

For questions about your Florida Agency for Health Care Administration (AHCA) benefits, contact Florida Agency for Health Care Administration (AHCA) at 1-888-419-3456 (TTY: 1-800-955-8771) 8 a.m. to 5 p.m. EST. Ask how joining another plan or returning to Original Medicare affects how you get your Florida Agency for Health Care Administration (AHCA) coverage.

## **SECTION 6 Programs That Help Pay for Prescription Drugs**

You may qualify for help paying for prescription drugs.

- **“Extra Help” from Medicare.** Because you have Medicaid, you are already enrolled in “Extra Help,” also called the Low-Income Subsidy, unless you are a Qualified Working and Disabled Individual (QDWI). “Extra Help” pays some of your prescription drug premiums, annual deductibles, and coinsurance. Qualifying individuals do not have a coverage gap or late enrollment penalty. If you have questions about “Extra Help”, call:
  - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
  - The Social Security Office at 1-800-772-1213 between 8 am and 7 pm, Monday through Friday for a representative. Automated messages are available 24 hours a day. TTY users should call, 1-800-325-0778; or
  - Your State Medicaid Office (applications).
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain

criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the Florida AIDS Drug Assistance Program. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call Florida AIDS Drug Assistance Program at 1-850-245-4422.
